SEXUAL ORIENTATION
CONSULTATION TEAM
BELFAST

DEAR SIR/MADAM,

I am writing in response to Questions 4, 12 + 13 of the Consultation, asking that exceptions should be included for church premises & the disposal of Church Property.

Why should churches be forced to allow their facilities to be used for, say, "wedding style" functions

which would be contrary
to that church's beliefs.

Or why should a
church be liable to be sued
for upholding their beliefs
& Christian teaching on
sexual morality.

Thank you for taking
time to read my request
I trust you will favourably
consider it.

Yours faithfully

Deven R. Banks-Lewis
