

## ANTI POVERTY STRATEGY CONSULTATION

### BREAKDOWN OF MAIN POSITIVE AND NEGATIVE RESPONSES TO THE TARGET TO ELIMINATE CHILD POVERTY BY 2020

#### POSITIVE

Summary of <u>main emerging views</u> received on: TARGET TO ELIMINATE CHILD POVERTY BY YEAR 2020	
Summary of comments	Level of Support:
Welcomes particular emphasis on child poverty, with some suggestions that the target could be achieved by boosting family incomes through higher wages and benefits, and that there should be a read across to other related strategies such as Investing for Health and the target of reducing poverty in families with children and easier access to key services for children and families.	15

#### NEGATIVE

Summary of <u>main emerging views</u> received on: TARGET TO ELIMINATE CHILD POVERTY BY YEAR 2020	
Summary of comments	Level of Support:
