I have today taken up the position of secretary at the above club.

Your letter dated October 2009 together with the Consultation Document & Draft Bill has been passed on to me.

You will appreciate that I have not had the time or opportunity to study the document.

This is just a courtesy letter to identify ourselves to your office and to state that we would be in favour of a Commissioner for Older People in Northern Ireland. In fact we have spoken about it from time to time. [REDACTED]

Please accept my apologies and we wish that you keep our club on your list for future correspondence and documents relating to over 50 clubs.
