Dear Sirs

I refer to your letter of 18 June and review of the Civic Forum. My only submission is that the Civic Forum was a complete waste of time and public money. Under no circumstances should it be re-activated.

Far too much money is wasted in Northern Ireland. There are too many MLA's. There are too many local Councillors. There are too many governmental bodies and agencies. We live in a very small country which requires huge savings in public money which is being wasted on administration on bodies like Civic Forum, local councils and Stormont and everything connected with it.

Yours faithfully
