Dear Dr. Mulligan,

I refer to your letter of 20 June in relation to the Phase 2 Public Consultation document dealing with proposals for a Northern Ireland Anti-Poverty Strategy.

Having looked at this, I can advise that Translink welcomes the more targeted thrust of New TSN as it seeks to help the most economically disadvantaged people in the community in a more direct way. We find the data within the document to be very significant and will continue to ensure that the ethos of New TSN is intrinsic within the development of our services throughout Northern Ireland.

I trust the foregoing brief comment is helpful.

Yours sincerely,

KEITH MOFFATT
CHIEF EXECUTIVE
